New York City. Att. Mr. Sydney P. Noe

Dear Mr. Noe:

I hope you will accept my sincere apologies for my tardiness in remitting the dues for 1926; a check for which I now enclose.

The mention of the usually perfect condition of gold coins during a discussion recently, reminded me, to my dismay, that I was considerably in arrears in A.N.A. dues. Please do not take this negligence for a lack of interest but rather for a necessary preoccupation in other directions during the past few years.

At present my progress in the field of numismatics is limited to reading the monographs. As I look forward to the receipt of these, I should appreciate your notifying the mailing department of my change of address.

I hope that I shall see you soon and to be able to report an advance in the direction in which in which you started me in 1919.

Sincerely yours,

A. C. Cabanné

Dear Mr. Cabanné:

Your letter of the 9th is just at hand. I am very glad that your dues caused you to write to me.

I note your change of address and I also note that we may hope to see you soon. There is to be a meeting on the 20th, but that would hardly give as much time as some other date. There is quite a bit to talk about which I think would be of interest to you, and I hope your visit may not be long delayed.

Very sincerely yours,

Secretary.
